1. Sign In and Dashboard

1.1 Sign In Page

First screen where user will give his/her login and password to login e-FOAS as shown in above picture.

1.2 Dashboard

After login e-FOAS, user by default landed on Dashboard page shown in above picture.

Main dashboard contains various tabs described below:

1.2.1 Settings

When on click on setting option, a service panel will be opened which is given below:

The screenshot shows the e-FOAS dashboard interface. The top navigation bar includes a search bar, a 'New Document' button, and notification icons. The main dashboard area contains several cards for 'SUMMARIES', 'FILES', 'OFFICIAL NOTES', 'LETTERS', 'MEETINGS', 'DOCUMENTS', 'TASKS', and 'COMPLAINTS'. A 'SERVICE PANEL' is open on the right side, highlighted with a red border. The service panel contains options for 'LOGOUT', 'LAYOUT OPTIONS', 'THEME COLORS' (with 'With Light Sidebar' and 'With Dark Sidebar' sections), 'DASHBOARD STICKERS', 'DASHBOARD CARDS', 'INTERNAL CARDS', 'CHANGE CARDS COLOR', and 'HELP & SUPPORT'.

You can activate and deactivate different options give in this service panel.

1.2.2 Refresh Notifications

This option is just to refresh / update the notification status.

1.2.3 Today Meeting's

This tab shows the count and notification of meetings planned today.

1.2.4 Unread Messages

This tab shows the count and list of unread / unattended messages in your inbox

The screenshot shows the e-FOAS dashboard with a notification overlay. The notification overlay displays 'You have 2 new messages' and lists two messages: 'PURCHASE OF NETWORK...' and 'Procurement of Video C...'. The dashboard background shows the same cards as in the previous screenshot, but the 'OFFICIAL NOTES' card is highlighted in green.

1.2.5 Reports

There are 8 types of reports which you can generate from this tab:

1.2.6 Inbox

This option shows the count of unread messages against each card

1.2.7 New Documents

Through this tab we can create new file, letter, note sheet, documents and other task given in below screenshot:

1.2.8 Search

A search option is given on dashboard, you can search your file or documents through this option.

1.2.9 Duration

You can set the duration of inbox by selection duration give on dashboard. After selection option your inbox will reflect the files of that duration accordingly.

TODAY 3 MONTHS 6 MONTHS 1 YEAR..

1.2.10 Dashboard Cards

At a time you can open / activate 8 cards on your dashboard screen as shown in below screen:

You can customize these card as per your requirement and activate accordingly as mentioned in below image:

1.3 Inbox

When you will click on any card which are displayed on your dashboard, you will go in the inbox of that tab and each tab have same cards in the inbox.

n

You can customize and activate the required cards and at a time you can activate maximum 8 cards, internal cards are shown in screenshot given below:

1.3.1 New

Any document or task assigned to user will reflect in new Documents

1.3.2 Overdue

Any task assigned with due date and no action is taken till due date will be reflected in Overdue Documents

1.3.3 Drafts

Instructions received from senior to sub ordinate for preparation of draft for noting or letter will reflect in Draft Noting/Letter.

1.3.4 Carbon Copy

Any task in which user is in CC will be reflected in Carbon Copy Documents.

1.3.5 Assigned

Any task forwarded by user will reflect in Assigned Documents.

1.3.6 Assigned Overdue

Any task forwarded by user with due date and no action is taken on it will reflect in Assigned Overdue Documents.

1.3.7 Closed Documents

All the tasks closed after appropriate action by User will reflect in Closed Documents.

1.3.8 Outgoing Follow-ups

If duty of follow-up is assigned by senior to Sub ordinate regarding any ongoing task, it will reflect in Outgoing Follow-ups of subordinate or if follow-up duty is not assigned to any subordinate it will reflect in senior outgoing follow-up.

1.3.9 Review Noting

Any Noting forwarded by Subordinate for review to senior will reflect in Review Noting.

5. How to arrange meeting through e-FOAS (Meeting Schedule)

5.1 Navigate cursor on Meeting Schedule

The screenshot shows the 'Meetings' section of the e-FOAS dashboard. The top navigation bar includes a search bar, a 'New Document' button, and several notification icons. The left sidebar contains a 'MUS' logo and a list of icons. The main content area has tabs for 'My Meetings', 'Created by Me', and 'Officiating Meetings'. Below these tabs, there is a section for 'Engagements Report' with a button 'Add New Meeting' marked with a red '1'. To the right of this section is a calendar for 'FEBRUARY 2023' with view options 'Today', 'Month', 'Week', and 'Day'. The calendar grid shows days from Sunday to Saturday, with dates 1 through 4 visible.

5.2 Click on Schedule Meeting and a window will open as shown in below picture

The screenshot shows the 'Schedule Meeting' form in the e-FOAS system. The top navigation bar is similar to the previous screenshot, but the 'New Meeting' button is highlighted. The left sidebar also remains the same. The main content area has tabs for 'Schedule Meeting', 'Add Participant', 'External Guest Participant', and 'Attachment'. The 'Schedule Meeting' tab is active, showing a form with the following fields:

- Subject:** ENTER MEETING SUBJECT

8. How to use File Achieve Directory

The screenshot displays the eFOAS dashboard interface. At the top, there is a navigation bar with the eFOAS logo, a search bar, and a 'New Document' button. Below the navigation bar, the dashboard is divided into two main sections. On the left is a sidebar menu with options: Dashboard, Document Tracking, Reminder(s), File Archive, Help & Support, Contact Us, and Logout. The main content area is titled 'Dashboard' and features a grid of 'Dashboard Cards'. These cards represent different document types: FILES (1), SUMMARIES (0), OFFICIAL NOTES (0), LETTERS (0), DOCUMENTS (0), MEETINGS (1), TASKS (0), and COMPLAINTS (0). Each card shows 'Read' and 'Total' counts. At the bottom of the dashboard, there is a section for 'MEETINGS & REMINDERS'.

Category	Count
FILES	1
SUMMARIES	0
OFFICIAL NOTES	0
LETTERS	0
DOCUMENTS	0
MEETINGS	1
TASKS	0
COMPLAINTS	0

8.1 Click on File Archives to upload and archive files online

8.2 User click on arrow icon to create a new file. Following window will appear after clicking arrow

8.3 Enter the File Title, Manual File No, Start Date, End Date, Start & End No

8.4 Only File Title field in mandatory remaining fields are optional

8.5 Option is available to search the require File or Document

8.6 Option is available to view file Table of Content, rename and remove file

8.7 Click on Create tab to upload document

9. How to initiate Summary

Step 1. Click on **New Document** button, and select **Summary** for initiate new summary.

Step 2. Click on **General Information** tab, below mentioned screen will be appeared. Please fill in all the mandatory fields with **asterisk ***:

The screenshot shows the 'General Information' tab of the e-FOAS system. The interface includes a top navigation bar with 'New Document', 'Summary', and 'New' tabs. Below this are sub-tabs for 'Verbatim', 'Documents', 'General Information', and 'Saved Draft(s)'. A sidebar on the left contains various icons. The main form area contains several fields, some of which are marked with an asterisk (*) indicating they are mandatory. Arrows point from the left to these fields: Subject, Remarks, Forward To, Draft Review To, Put-Up Date, Document Priority, Document Nature Type, Corresponding File, Due Date, Document Classification, Document Nature, and CM Approved Date. A red tooltip on the right says '* This field is required'.

- i. **Subject:** Add subject in subject box. (Maximum limit is 250 character)
- ii. **Remarks:** Add remarks in remarks box (if required). It will not part of Summary and Corresponding File's noting.
- iii. **Forward to:** At initiator level "Forward to" option will be used to set the note path.
- iv. **Draft Review to:** This option will only be visible at initiator level and it's used to submit the draft of Summary to immediate supervisor (e.g.: SO > DS)
- v. **Put-up Date:** This is pre-selected and this is the draft initiation date.
- vi. **Document Priority:** This is to set the document priority as Normal, Urgent Most Urgent, Time Limit or etc.
- vii. **Document Classification:** This is just to select to classification Public or Restricted. Public will be selected by default.
- viii. **Document Nature Type:** This option will have Cabinet Summary and Summary.

- ix. **Document Nature:** This is to select the nature of the document i.e., Summary for Chief Minister, Summary for Governor, Summary for the Cabinet or etc.
- x. **Corresponding File:** When User will click on **Corresponding File** check box, two separate tabs of **Summary & Corresponding File** will be appeared to initiate **Corresponding File** and **Summary**, separately.

Step 3. Click on **General Information** tab, click on **Forward to** field for choosing your respective Department. Click on Search User for select Respective Secretary. Select again other administrative department for assigning summary path.

The screenshot shows the 'General Information' tab selected. The 'Subject' field contains 'Demo Case'. The 'Remarks' field is empty. The 'Forward To' dropdown is set to 'Chief Minister Office Punjab'. Below this is a table with three rows of employee information. A black arrow points to the table. The 'Draft Review To' dropdown is set to 'Choose...'. The 'Put-Up Date' is 20-05-2023. A red box highlights the 'General Information' tab.

SORT ORDER	EMPLOYEE NAME	ACTION
1	Secretary Mines & Minerals Secretary (Mines & Minerals Department)	Up Down Delete
2	Chief Secretary Punjab Chief Secretary Punjab (Chief Secretary Office)	Up Down Delete
3	Syed Mohsin Raza Naqvi Chief Minister (Chief Minister Office Punjab)	Up Down Delete

Step 4. On clicking **Verbatim** tab, **Verbatim** (Summary Paras) text area will be appeared for entering Summary paras.

The screenshot displays the e-FOAS web application interface. At the top, there is a navigation bar with a search bar, a 'New Summary' dropdown, and several notification icons. Below this, a secondary navigation bar contains tabs for 'New Document', 'Summary', and 'New'. The 'New Document' tab is active, and within it, the 'Verbatim' and 'Documents' sub-tabs are highlighted by a red circle. Other sub-tabs include 'General Information' and 'Saved Draft(s)'. Below the sub-tabs, there is a row of action buttons: 'Subject', 'Add Paragraph', 'Attach Annexure', 'Add Last Para No.', 'Save As Draft', 'Forward Draft', 'Submit', and 'Close'. The main content area features a 'SUBJECT' header with a plus icon, followed by a menu bar with options like 'Edit', 'Insert', 'View', 'Format', 'Table', 'Tools', and 'Help'. Below the menu bar is a rich text editor toolbar with various formatting icons (bold, italic, underline, strikethrough, font family, font size, paragraph styles, list, link, unlink, etc.). The editor area is currently empty.

Step 5. Click on **Documents** tab for uploading Annexures of summary (if any) or previous para of Summary (if continue summary is initiate at your end).

The screenshot shows the e-FOAS interface. At the top, there is a search bar and a 'New Summary' dropdown. Below this, there are tabs for 'New Document', 'Summary', and 'New'. The 'Documents' tab is selected and highlighted with a red circle. Below the tabs, there are buttons for 'Upload Document', 'Clear Documents', 'Save As Draft', 'Forward Draft', 'Submit', and 'Close'. On the left side, there is a section for 'ATTACH DOCUMENT(S) OR DRAG AND DROP' with fields for 'ENTER TITLE', 'SELECT ISSUE DATE', and a 'Select Document(s)' section with a 'CHOOSE FILE' button and a 'Browse' button. The bottom of the page shows the copyright notice: 'Copyrights © 2023 Punjab Information Technology Board (PITB)'.

Step 6. Enter **Annexure title, Issue Date and Select File**. Annexure is attached.

The screenshot shows the e-FOAS interface with the 'Documents' tab selected. The 'ATTACH DOCUMENT(S) OR DRAG AND DROP' section now shows a file icon labeled 'Project Manage...'. Arrows point to the 'ENTER TITLE', 'SELECT ISSUE DATE', and 'CHOOSE FILE' fields, indicating where to enter the required information. The bottom of the page shows the copyright notice: 'Copyrights © 2023 Punjab Information Technology Board (PITB)'.

Step 7. Type Summary paras or Paste paras from other text editor in **Verbatim** area and press **Add Paragraph**.

- i. **Subject:** This button is used for showing / editing in Subject of the Summary. (Maximum limit is 250 character)
- ii. **Add Paragraph:** Type each para of summary and press add paragraph for marking paragraphing.
- iii. **Attach Annexure:** On clicking this option, all annexures will be shown for link / referencing.

- a. Select Annexure and edit Display text of annexure (if required).
- b. Press add button to apply hyperlink of annexure in summary para.
- iv. **Add Last Para No.:** This option is used to add last para number of continue summary.
- v. **Print:** This button is used to preview of summary in prescribe format.
